MEMBERS DISCLOSURE OF INTERESTS

1. Pecuniary Interests

The Northern Ireland Local Government Code of Conduct for Councillors under Section 6 requires you to declare at the relevant meeting any pecuniary interest that you may have in any matter coming before any meeting of your Council.

Pecuniary (or financial) interests are those where the decision to be taken could financially benefit or financially disadvantage either you or a member of your close family. A member of your close family is defined as at least your spouse, live-in partner, parent, child, brother, sister and the spouses of any of these. Members may wish to be more prudent by extending that list to include grandparents, uncles, aunts, nephews, nieces or even close friends.

This information will be recorded in a Statutory Register. On such matters **you must not speak or vote**. Subject to the provisions of Sections 6.5 to 6.11 of the Code, if such a matter is to be discussed by your Council, **you must withdraw from the meeting whilst that matter is being discussed**.

2. Private or Personal Non-Pecuniary Interests

In addition you must also declare any significant private or personal non-pecuniary interest in a matter arising at a Council meeting (please see also Sections 5.2 and 5.6 and 5.8 of the Code).

Significant private or personal non-pecuniary (membership) interests are those which do not financially benefit or financially disadvantage you or a member of your close family directly, but nonetheless, so significant that could be considered as being likely to influence your decision.

Subject to the provisions of Sections 6.5 to 6.11 of the Code, you must declare this interest as soon as it becomes apparent and **you must withdraw from any Council meeting (including committee or sub-committee meetings) when this matter is being discussed**.

In respect of each of these, please complete the form below as necessary.

Report from:	Head of Communities

Item for:	Decision
Subject:	Partnership between The Executive Office and LCCC to End Violence Against Women and Girls

1.0	<u>Background and Key Issues</u>
1.1	The Executive Office (TEO) is requesting the support of Lisburn and Castlereagh City Council to work together to increase investment in community-based and local approaches helping to end violence against women and girls.
1.2	The Ending Violence Against Women and Girls (EVAWG) Strategic Framework 2024-31 was launched by the First Minister and the Deputy First Minister on the 16th of September 2024, following a Ministerial Statement to the Assembly. The Strategy includes a first Delivery Plan (2024-26) which will support those organisations working to prevent and challenge the attitudes, behaviours and culture that can lead to violence against women and girls. The Strategy and associated documents are available at https://www.executiveoffice-ni.gov.uk/topics/ending-violence-against-women-and-girls .
1.3	A key action within this first Delivery Plan is to launch and support delivery and impact of a community focused 'Change Fund' to equip community groups to prevent and respond to violence against women and girls.
1.4	In order to deliver this action, TEO would like to develop a partnership approach with each local council, which includes providing a funding allocation to support community and voluntary sector (CVS) organisations in each local government area.
1.5	This approach aims to maximise the impact of the 'Change Fund' by ensuring support to and delivery in local communities across the region. This can contribute to Community Planning priorities and complement EVAWG relevant initiatives already being supported by local councils.
2.0	<u>Proposal</u>
2.1	TEO is requesting that council delivers a localised 'Change Fund' scheme open to CVS organisations and grassroots groups across the area. Subject to an approved business case and approval processes at central government level, TEO is aiming to have available c£110k for 2025/26 in the LCCC area to equip local community groups to prevent violence against women and girls.
2.2	Given the importance and urgency of the issue, Ministers would like a call for applications to open early in 2025. This requires completion of internal approvals within councils to enable a 'go live' date in advance of this.

2.3	<p>Furthermore, TEO is keen to explore with councils the possibility of providing interim ‘momentum support’ to allow expansion of existing good work by councils and communities during the current financial year. This could involve an allocation of c£50k in 2024/25 to LCCC.</p>		
2.4	<p>Given the existing remit of the LCCC PCSP and its efforts on this issue, it is considered prudent to ensure joined up working and maximisation of synergies through work already undertaken in this field. Therefore, it is recommended that the PCSP is integral in the delivery of the ‘Change Fund’ and the c£50k momentum support and how it could be most effectively allocated in this financial year. Collectively, through embracing a community planning approach, working alongside our partners in the community and voluntary sector including organisations who are experts in the field eg Women’s Aid, we will work to ensure that this funding is targeted to fulfil the objectives of both strands.</p>		
2.5	<p>As a first step in local engagement, council officers have met with the PSNI to scope out ideas for the immediate delivery of ‘momentum support’. While these would be subject to the approval of TEO, areas for consideration are as follows:</p> <ul style="list-style-type: none"> • Enhancement of Tier 4 of the 4 Tier Home Security Scheme; • Women’s Wellbeing Event in March 2025; • Additionality to the provision of support work assistance for women who have been subjected to violence; • Provision of training on what domestic/sexual abuse is and capacity building for community and voluntary organisations in this space; • Using the medium of arts to deliver key messages about support services available for victims of violence against women. 		
2.6	<p>Council officers met with TEO officers on 19 November to further explore this opportunity and consider what may be viable in the short time frame available under the ‘momentum support’ in particular. They were content with the direction of travel and specifically requested the emphasis of the funding is used to deliver against the prevention outcomes contained in the Strategic Framework.</p>		
3.0	<p>It is recommended to agree:</p> <ol style="list-style-type: none"> 1. the content of the paper in respect of partnership requested by TEO to deliver the ‘Change Fund’ 2025/26; 2. to progress delivery of programme of prevention using the c£50k ‘Momentum Support’ 2024/25; 3. delivery of both programmes to be progressed through the PCSP and a broader community planning based approach with reporting of outcomes to Communities & Wellbeing committee.

Item for:	Decision
Subject:	UK Shared Prosperity Fund (UKSPF) – Addendum to Letter of Offer for Community Investment Fund (CIF) for Ballymacash Sports Academy and Lisburn Rugby & Football Club

1.0	<u>Background and Key Issues</u>
1.1	The September meeting of Council agreed the enhancement to two pilot Community Investment Fund (CIF) projects as part of the overall programme of projects to be supported by this council under the UK Shared Prosperity Fund for Northern Ireland.
1.2	This will support the advancement to the former pilot CIF funded projects for Ballymacash Sports Academy and Lisburn Rugby & Football Club who received £250k and £225k respectively. At that time, CIF had an upper limit of £250K and were awarded in an environment of hyperinflation creating difficulties for delivery, in the case for Ballymacash, and created a necessity to value engineer its proposal.
1.3	Members agreed this enhancement proportionate to the original award of up to £250K across the two projects, where eligible expenditure can be achieved, thus better aligning it with the established programme. Both projects have confirmed an ability to achieve spend by 31st March 2025.
1.4	<u>Project 1: Ballymacash Sports Academy: £55,000</u>
1.5	The sum of £55k is requested to progress the next stage of the first floor building works by extending the provision of additional mechanical and electrical services for the first floor, including the upgraded supply and installation of service controls, ventilation and extraction equipment.

1.6	<u>Project 2: Lisburn Rugby Football Club: £45,000</u>	
1.7	<p>The sum of £45k is requested for the purchase of the following items of equipment for the facility:</p> <ul style="list-style-type: none"> - 2 x physio tables for the new ladies changing areas; - Open lockers/individual pods for every space within the changing facilities; - Installation of additional shelving and pods for each changing room; and - Expanded range of equipment for health and wellbeing facilities eg Spin bikes; 	
1.8	<p>The funding offered to both groups under UKSPF must provide additionality to the CIF projects; due diligence has been carried out by officers to ensure that the items to be funded did not form part of their original CIF applications, as amended in the case of Ballymacash Sports Academy.</p>	
2.0	<p>It is recommended that the committee agrees to providing:</p> <ol style="list-style-type: none"> 1. Ballymacash Sports Academy £55k to fund the provision of additional mechanical and electrical services for the first floor, including upgraded supply and installation of service controls, ventilation and extraction equipment through an addendum to the Letter of Offer issued under CIF; and 2. Lisburn Rugby & Football Club £45k to fund the physio tables, open lockers/individual pods in the changing facilities, installation of additional shelving for each changing room and expanded range of equipment for health and wellbeing facilities through an addendum to the Letter of Offer issued under CIF.
