1.0 Introduction

- 1.1 The purpose of this Timetable is to set out the key stages and the indicative time frame for the production of Lisburn & Castlereagh City Council's new **Local Development Plan 2030 (LDP)**.
- 1.2 The Timetable meets the legislative requirements of the Planning Act (Northern Ireland) 2011 and the Planning (Local Development Plan) Regulations (Northern Ireland) 2015. In addition it has been approved by resolution of the Council and agreed with Central Government in accordance with Regulation 7 of the Planning (Local Development Plan) Regulations (Northern Ireland) 2015.

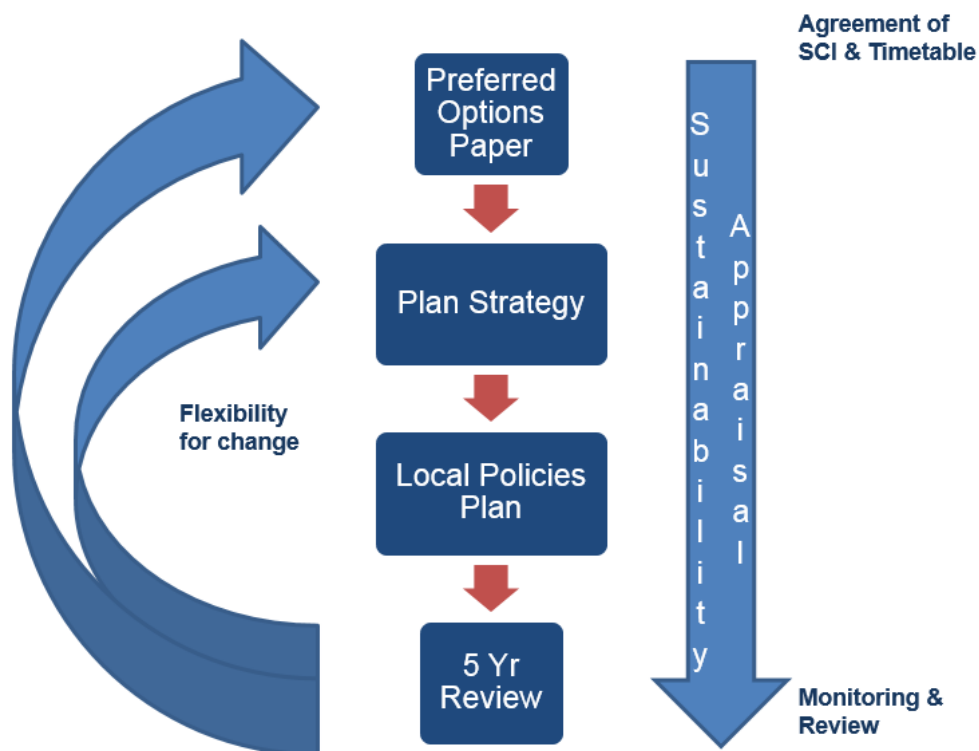

2.0 Purpose of the Local Development Plan

- 2.1 The purpose of the Lisburn & Castlereagh City Council LDP is to inform the public, statutory authorities, developers and other interested parties of the policy framework and land use proposals that will implement the strategic objectives of the Regional Development Strategy and guide development decisions within the Council area up to 2030.
- 2.2 The new LDP will be prepared within the context of the Council's Corporate Plan and will take account of the Council's Community Plan to enable us to plan positively for the future of our Council area. It will ensure that lands are appropriately zoned and that our infrastructure is enhanced to develop the Council area for future generations.
- 2.3 The LDP must also take account of the regional policy context set by the Northern Ireland Executive and Central Government Departments. This includes, amongst others, the Sustainable Development Strategy, the Regional Development Strategy, the Strategic Planning Policy Statement and Planning Policy Statements.

3.0 Status of the Local Development Plan

3.1 The new Local Development Plan for the Council will replace the Lisburn and Castlereagh District Proposals and the Plan Strategy and Framework of the Belfast Metropolitan Area Plan (BMAP 2015) in so far as it applies to the Lisburn & Castlereagh City Council area.

3.2 Following publication of the Preferred Options Paper, the Plan will be produced in two parts consisting firstly of a Plan Strategy followed by a Local Policies Plan. The Plan Strategy will set the aims, objectives, growth strategy and strategic policies applicable to the Plan Area. The Local Policies Plan will provide site specific policies and proposals, including settlement limits, land use zonings and environmental designations.

3.3 The Council will undertake an ongoing process of **Sustainability Appraisal** which will run parallel to the preparation of the Preferred Options Paper, Plan

Strategy and Local Policies Plan. An integral part of the Sustainability Appraisal is the **Strategic Environmental Assessment (SEA)** which will examine the environmental effects of the LDP proposals. The Sustainability Appraisal process aims to ensure that the policies and proposals in the LDP are socially, economically and environmentally sustainable. Relevant reports will be published at each of the key stages of the plan making process which will all be made available online.

4.0 The Timetable

4.1 The Timetable provides indicative dates for a number of key stages in the production of the Lisburn & Castlereagh City Council Local Development Plan. These stages are set out in brief below. The full Timetable is set out on Page 7.

STAGE 1

- **Statement of Community Involvement** – This sets out how the Council intends to engage with the local community during the preparation of our new LDP.

Following the Independent Examination, an Advisory Report of its findings will be issued to Central Government.

- **Habitats Regulations Assessment (HRA)** for the LDP to consider the potential impact of LDP policies and proposals on European nature conservation sites.
- **Equality Impact Assessment** for the LDP to consider if the LDP is likely to have an impact on different sections of the community and any mitigating measures required as a result.

5.0 Delivery of the Local Development Plan
