Dear Ms Jackson

On 06 July 2021, the Department for Infrastructure provided us with formal notification that they are causing the Independent Examination (IE) of the Lisburn & Castlereagh City Council Draft Plan Strategy.

James Bickerstaff has been appointed programme officer for this plan and will contact you under separate cover to obtain papers. This will enable us to move to the initial assessment phase of the IE process. Once we are satisfied that all the documentation is in place I will assign a Commissioner to take the IE forward. We will be in contact in due course but if you have any queries in the interim please contact the programme officer in the first instance.

Yours sincerely

**Andrea Kells**
